AMENDED IN ASSEMBLY APRIL 21, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1930

Introduced by Assembly Member Skinner

February 19, 2014

An act to add Section 18901.11 to the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

AB 1930, as amended, Skinner. CalFresh: student eligibility.

Existing federal law, the Food Stamp Act, provides for the Supplemental Nutrition Assistance Program (SNAP), known in California as CalFresh. The act allocates supplemental nutrition assistance benefits to the state to be distributed to eligible individuals by each county. The act generally requires each household member, as a condition of SNAP eligibility, to comply with specified work requirements, including participation in a Food Stamp Employment and Training (E&T) program administered by a state agency, as specified, unless an exemption applies. The act further provides that students who are enrolled in college or other institutions of higher education at least half time are not eligible for SNAP benefits unless they meet one of several exemptions, including working at least 20 hours a week or participating in specified employment training programs, including an E&T program described above.

Existing law establishes the Community College Extended Opportunity Programs and Services (EOPS) to encourage local community colleges to establish and implement programs directed to

identifying those students affected by language, social, and economic handicaps, and to assist those students to achieve their educational objectives and goals, including, but not limited to, obtaining job skills, occupational certificates, or associate degrees, and transferring to 4-year institutions.

This bill would require county human services agencies in determining the eligibility and benefit level of a student subject to the student work requirement described above, to screen for all potential exemptions to that rule using a specified protocol. The bill would require that students who participate in the EOPS program be considered exempt from the student work requirement as specified, unless prohibited by federal law. The bill would also require the State Department of Social Services, in consultation with ~~others~~ *representatives from other specified organizations*, to establish a protocol to screen for all potential exemptions to the rule and to identify and verify participation in the EOPS program ~~or, criteria for self-initiated placement, and~~ other educational programs that would exempt a student from the *student work* requirement. By imposing new duties on county welfare departments, this bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to increase
- 2 college graduation rates of low-income Californians and to reduce
- 3 the incidence of economic hardship and hunger among low-income
